A WINNING TEAM

A CAREER

A FUTURE!

WELCOME TO RENAISSANCE!

When you join Renaissance, you join an elite group of highly competent, well-trained agri-professionals. Their dedication, commitment and tireless efforts are keeping Renaissance in the forefront of dairy and livestock nutrition. Renaissance consultants deliver state-of-the-art technology to dairy and livestock producers. They recommend sound nutrition and management practices; formulate balanced, cost-effective rations based on available feeds and forages; deliver high-quality products and services; monitor calves and cows; review production records; and much more!

We're pleased to offer positions that can make a difference in the dairy and livestock industries today and into the future. We'll take you from where you are... and provide the support and training to help make you a successful professional.

Our goal is to have people that are devoted to quality and progress; people who are willing to work hard and appreciate the rewards of their efforts over and over again. We're a team. And we want people with the drive to make things happen today and tomorrow ~ people with a mission!

Renaissance personnel fill many roles:

- ➔ Nutritional Consultants
- ➔ Farm Management Specialists
- ➔ Product Sales & Service
- ➔ Business Professionals

We do not believe in "just selling," but in selling what is needed to "do the job right", helping to ensure progress and profitability of each farm we work with.

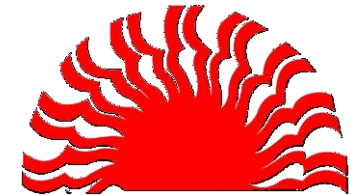

We offer:

- In-House Nutritional Support
 - Sales & Marketing Support
 - Ongoing Training
 - Opportunity to "Own Your Business"
 - Aggressive Commission Program
 - Quality, Research-Tested Products
 - Mineral & Vitamin Premixes
 - Milk Replacers & Calf Starters
 - Computerized Ration Formulation
 - Business & Management Techniques
 - Agronomy Products & Support
- ... and more!

Are you a self-starter with a strong work ethic and a willingness to learn? Then a career with Renaissance may be for you! We want individuals who are excited about agriculture and motivated to see things happen... individuals who are looking for an opportunity to start and grow a business... people who will partner with us in making a difference on farms throughout their service area. It takes hard work and perseverance, and we're here to help you become successful. If you're looking for a change... a chance... a great future - this is it! It is up to you to make things happen and we're here to work with you every step of the way.
