

Are you looking for employment and opportunity... a career with a future?

Renaissance Nutrition seeks dynamic individuals to join our successful team of consultants! We are a full-service vitamin/mineral premix company that is committed to providing producers with advanced nutritional services, excellent management tips, and superior products. Additionally, we offer producers a full line of seed products and agronomic services, forage preservatives and inoculants, as well as some commodities and complete feed products. Our range of products and services includes everything from calves and heifers, to dry/transition cows and lactating cows, along with products for beef, swine, sheep, goats, equine species, and poultry. We are currently looking for new team members to help us grow in the following geographic areas:

Western New York

North Central New York

Northwest Ohio

Southwest Michigan

South Central Michigan

Central/West Central Michigan

Central Wisconsin

West Central Wisconsin

Western Wisconsin

North Central Wisconsin

Southwest Wisconsin/Northern Illinois

Central Kentucky

Southern Kentucky
