

International Nutrition Inc.

Material Safety Data Sheet

IDENTITY (as used on label and list) RABON 7.76%		CHEMICAL NAME	
Section I - Manufacturing Information			
Manufacturer's name INTERNATIONAL NUTRITION, INC.		Emergency Telephone Number CHEMTREC 800-424-9300	
Address (Number, Street, City, State and Zip Code) 7706 I Plaza Omaha, NE 68127		Telephone Number for Information 402-331-0123	
		Date Prepared 4/11/2008	
Section II – Hazardous Ingredients/Identity Information			
Hazardous Components: (Specific chemical identity, common names, CAS #) none			
OSHA PEL ACGIH TLV WGHT % HAP (Y/N)			
Section III – Physical/Chemical Characteristics			
Boiling Point	NA	Specific Gravity (H ₂ O=1)	NA
Vapor pressure (mm Hg)	NA	Melting Point	NA
Vapor Density (AIR = 1)	NA	Evaporation Rate (Butyl Acetate =1)	NA
Solubility in Water NEGLIGIBLE			
Appearance and Odor: LIGHT GREYISH POWDERED MATERIAL WITH SLIGHT GRAIN ODOR			
Section IV – Fire and Explosion Hazard Data			
Flash Point (Method Used) none	Flammable Limits: NA	LEL NA	UEL NA
Extinguishing Media: water, water fog, dry chemical and foam			
Special Fire Fighting Procedures: use media for the surrounding materials			
Unusual Fire and Explosion Hazards: This material like all organic products may form an explosive mixture in air. Firefighters should use self-contained breathing apparatus to avoid exposure to smoke and vapor.			
Section V – Reactivity Data			
Stability/Polymerization	Unstable	Conditions to Avoid acids	
	Stable xx		
Incompatibility (Material to Avoid) acid Conditions:			
Hazardous Decomposition or Byproducts: co, co2			
Hazardous Polymerization	May occur	Conditions to avoid acids, open flame	
	Will not occur xx		
Section VI – Health Hazard Data			
Route(s) of Entry	Inhalation? yes	Skin? no	Ingestion? yes
Health Hazards (Acute and Chronic) eye irritation, respiratory distress skin irritation			
Carcinogenicity NA	NTP? NA	IARC Monographs? NA	OSHA Regulated? NA
Signs and Symptoms of Exposure: red and swelling, watering eyes, dermal distress or abrasion			
Medical Conditions Generally Aggravated by Exposure: Persons with drug allergies may be adversely affected by this product			

Emergency and First Aid Procedures: if breathing is difficult, remove from exposure administer oxygen as needed. for eye or skin contact flush with cool clean water for at least fifteen minutes, If irritation continues seek medical assistance **Note to physicians:** All treatments should be based on observed signs and symptoms of distress in the patient. Consideration should be given to the possibility that overexposure to materials other than this product may have occurred. Treat symptomatically. No specific antidote is available.

Section VII – Precautions for Safe Handling and Use

Steps to be taken in case material is release or spilled: sweep or vacuum in a manner to educe dust levels. Store in covered container for use or disposal

Waste Disposal Method: solid waste Dispose of waste in accordance with all local state and federal regulations.

Precautions to be Taken in Handling and Storing: store in a cool dry place

Other Precautions: none known

Section VIII – Control Measures

Respiratory Protection (Specify Type) Dust Mask

Ventilation	Local Exhaust: As Needed	Special: none
	Mechanical (General): As Needed	Other: na
Protective Gloves: as needed for the task	Eye Protection:	Safety glasses with side shields or face shield

Other Protective Clothing or Equipment: long sleeves and trousers

Work/Hygienic Practices: The following general measures should be taken when working or handling this material: 1) Do not store use and/or consume foods, beverages, tobacco products or cosmetics in areas where this material is stored. 2) Wash hands and face carefully before eating, drinking, using tobacco, applying cosmetics or using the toilet. 3) Wash exposed skin promptly to remove accidental splashes of contact with this material.

"All statements, technical information and recommendations contained herein are, to the best of our knowledge, reliable and accurate; however, no warranty either express or implied is made with respect thereto, nor will any liability be assumed for damages resultant from use of the material described.

It is the responsibility of the user to comply with all applicable federal state and local regulations. It is also the responsibility of the user to maintain a safe workplace. The user should consider the health hazards and safety information provided herein as a guide and should take the necessary steps to instruct employees and to develop work practice procedures to ensure a safe work environment.

This information is not intended as a license to operate under, or a recommendation to practice or infringe upon any patent of this Company or others covering any process, composition of matter or use"
